The Ancient City Auto Club in St. Augustine had their 25th Annual Car Show on Saturday, May 16th. There were approximately 169 antique cars, trucks and motorcycles in attendance; they ranged from pre-1928 to date and included both domestic and foreign-made vehicles. Mary Ellen and Ron Watz were there with their TR3A; Vic Hall was there but did not enter a car; quite a few vehicles were there from the MG Club of Jacksonville. All judging was done by the Club members, however, their members were NOT eligible for awards. The judging included looking at the engine as well as the trunk areas. A little tidbit for the novice car show people like Ron and I: some shows with actual judges (NOT People Choice) require a **fire extinguisher** (thanks Vic for the extinguisher). We were in the Foreign car class, but there were so many MG's they decided to split the class (MG's and Other Foreign Cars). With our TR3A, we brought home the First Place trophy; a nice 1962 Austin Healey took 2nd Place and a DeLorean took 3rd Place.

It was a hot, sunny day with a lot of great vintage vehicles. Better yet for the ladies, Historic St. Augustine shopping was just a walking distance away!!

CONGRATULATIONS !! Ron and Mary Ellen
